### About GVK

GVK ([www.gvk.com](http://www.gvk.com)) is a diversified enterprise having interests in Infrastructure (Power, Transportation & Urban Infrastructure), Services (Hotels, Contract Research & Financial Services) and Manufacturing (Particle Boards, Resins & Chemicals). GVK is amongst India's largest infrastructure developers spanning power, roads, airports and urban infrastructure. It has the proud distinction of setting up:

- India's First Independent Power Project at Jegurupadu, Andhra Pradesh in 1996
- India's First 6 Lane BOT Expressway from Jaipur to Kishangarh in Rajasthan
- The privatization & modernization of India's most prestigious Infrastructure Project, the Chhatrapati Shivaji International Airport, which is India's largest airport in Mumbai and the gateway to the country

GVK Biosciences ([www.gvkbio.com](http://www.gvkbio.com)) is a contract research organization, which offers a wide spectrum of pharmaceutical R&D services in the areas of Medicinal Chemistry, Discovery Biology, Informatics, Process R&D, Clinical Trials, Clinical Data Management and Bioavailability/Bioequivalence Studies.

### Other Activities

- Member National Council of the Confederation of Indian Industry (CII)
- Member of the Young Presidents' Organization (YPO)
- Member on the Board of Trustees of the Jagdish and Kamla Mittal Museum of Indian Art
